|----------------------------------------------------|-------------|
| <b>List of Figures</b> .....                       | <b>ix</b>   |
| <b>List of Tables</b> .....                        | <b>xi</b>   |
| <b>Acronyms and Abbreviations</b> .....            | <b>xiii</b> |
| <b>Sampling Location Information</b> .....         | <b>xvii</b> |
| <b>Chapter 1 Introduction</b> .....                | <b>1</b>    |
| Mission .....                                      | 1           |
| Site Location, Demographics, and Environment ..... | 1           |
| Primary Site Activities .....                      | 1           |
| <b>Chapter 2 Environmental Compliance</b> .....    | <b>5</b>    |
| Compliance Activities .....                        | 5           |
| Environmental Release Response and Reporting ..... | 15          |
| Assessments/Inspections .....                      | 15          |
| Environmental Permits .....                        | 16          |
| Environmental Training .....                       | 16          |
| Facility Decommissioning .....                     | 16          |
| <b>Chapter 3 Effluent Monitoring</b> .....         | <b>19</b>   |
| Radiological Monitoring .....                      | 19          |
| Nonradiological Monitoring .....                   | 21          |
| <b>Chapter 4 Environmental Surveillance</b> .....  | <b>27</b>   |
| Radiological Surveillance .....                    | 27          |
| Nonradiological Surveillance .....                 | 36          |
| <b>Chapter 5 Potential Radiation Doses</b> .....   | <b>39</b>   |
| Calculating Dose .....                             | 39          |
| Dose Calculation Results .....                     | 40          |

|                                                                     |           |
|---------------------------------------------------------------------|-----------|
| <b>Chapter 6 Groundwater</b>                                        | <b>51</b> |
| Groundwater at SRS                                                  | 51        |
| Groundwater Protection Program at SRS                               | 53        |
| Groundwater Monitoring Results                                      | 57        |
| <b>Chapter 7 Quality Assurance</b>                                  | <b>61</b> |
| QA for EMA Laboratories                                             | 61        |
| QA for Subcontracted Laboratories/EMA Laboratories                  | 62        |
| <b>Appendix A Applicable Guidelines, Standards, and Regulations</b> | <b>67</b> |
| Air Effluent Discharges                                             | 67        |
| (Process) Liquid Effluent Discharges                                | 69        |
| Site Streams                                                        | 70        |
| Savannah River                                                      | 70        |
| Drinking Water                                                      | 71        |
| Groundwater                                                         | 71        |
| Potential Dose                                                      | 72        |
| Environmental Management                                            | 73        |
| Quality Assurance/Quality Control                                   | 74        |
| Reporting                                                           | 74        |
| ISO 14001 Environmental Management System                           | 76        |
| <b>Appendix B Radionuclide and Chemical Nomenclature</b>            | <b>79</b> |
| <b>Appendix C Errata from 2000/2001 Reports</b>                     | <b>83</b> |
