Savannah River Remediation Donates New Audio/Visual Equipment to Barnwell County for Economic Development

Photo Cutline: Savannah River Remediation (SRR) unveiled a donation to the Barnwell County Economic Development Commission – a new sound system, podium and audio/visual equipment. The donation will be used by economic development officials to make presentations to industrial and business prospects, and the system will also be used in local job training initiatives. The donation was announced at the January 28 Commission's Business and Industry Appreciation Event, held in Barnwell. The plaque on the podium reads, "Savannah River Remediation Supports Barnwell County." Discussing the donation are, from left, Dave Olson, SRR Deputy Project Manager and Operations Manager; Marty Martin, Commission Executive Director; and Pete Grady, Commission Chairman, SRR is the Liquid Waste contractor at the Savannah River Site (SRS). SRS is owned by the U.S. Department of Energy. SRR is composed of a team of companies led by URS Corp. with partners Bechtel National, CH2M Hill and Babcock & Wilcox. Critical subcontractors for the contract are AREVA, Energy Solutions and URS Safety Management Solutions.
